	2	18/03/2024 10:52 AM ID: 240333542	As is often the case, it's difficult to know the needs of others. Even if there are provisions, many people just don't want to join in group activities. ie yes, there is a good bowls club for older people but many aren';t interested in bowls. There is a WI but once again, perhaps not everyone's 'thing'. So there is provision but perhaps difficult to cover everyone. Perhaps this is where Question 5 comes in :)

2	18/03/2024 10:52 AM ID: 240333542	Fpor 'footpayhs ' here I'm meaning country footpaths not pavements. Rudge pavements are OK.
3	12/04/2024 4:35 PM ID: 242185773	No issues. Use the car always as there are no bus services in Rudge
4	12/04/2024 4:52 PM ID: 242186695	On street car parking. Insufficient footpaths on roads in Rudge. No room! (There was, many years ago a footpath from the Full Moon to top of hill but it has been destroyed. It was at the side of the road)
5	17/04/2024 9:25 AM ID: 242460891	It isn't clear what the speed limit is on Rudge Lane and cars go too fast.
6	19/04/2024 4:51 PM ID: 242673012	Reduction of speed - hump or restriction of speed
7	22/04/2024 10:23 PM ID: 242832633	whilst there are lots of parked cars in Beckington (Bath Rd, Goose St) this slows traffic down - which is a good thing. Rudge needs more help to slow traffic as volume and speed has increased hugely in the last 10 years

1	18/03/2024 9:59 AM ID: 240369001	Too much space given to other issues, as the priority is forming a clear and concise document to be adopted as the Neighbourhood plan.
2	12/04/2024 4:35 PM ID: 242185773	The traveller community is a real issue. I don't understand why we have different rules for different communities, one of which does what it wants when it wants. It is affecting peoples lives and the area
3	12/04/2024 4:52 PM ID: 242186695	I Would wish to highlight that any development which takes place is appropriate and in a suitable place. Wish to not extend development limits in Rudge

7	22/04/2024 10:23 PM ID: 242832633	Really support the development of a local plan - thank you for doing it Would Parish council consider rotating the location of its meetings so that parishioners can see meetings in other areas - e.g. Rudge? Rudge currently does not have a village meeting. It used to but this has stopped. By having a Parish Council meeting in the village it would be a good opportunity for P.c. to hear voices of community. Also we don’t receive feedback from PC apart from Noticeboard. Maybe trial it??
